20th December 2020

Dear Parent/Guardian,

I hope this letter finds you safe and well. As the Christmas holiday period begins, we come to the end of a very difficult and challenging 2020. We are very grateful that our school community has remained safe this term. Sincere thanks are due to all our school staff and to you our parents/guardians for your support and encouragement to your son or daughter to continue to follow school and HSE rules to help prevent the spread of Covid 19. We ask you to continue this support in the New Year.

Despite the restrictions, all pupils from the Early Intervention Classes, Primary and Post Primary have participated in a very wide range of seasonal educational activities to bring some joy this Christmas. Our senior pupils also accessed our Advent/Christmas mass from the Emmaus Chapel, DVI via webcam. Information and photographs of these activities are very accessible on the school website: www.holyfamilydeafschool.ie and regularly feature on Twitter @HFSchoolDeaf1

New school closure date: Please note the following change to the school holiday list 2020/21: **Post Primary will be closed on Monday 8th March 2021** to facilitate teacher in-service training. **Early Intervention** and the Primary will remain open.

School reports: as we were unable to host our parent/guardian teacher meetings, comprehensive reports for all our primary and post primary children have been sent to parents. Following completion of the post primary Christmas tests, reports will be posted in January 2021.

Pupil Progression: I will send out letters with recommendations for the transition from primary to post primary for the 2021/22 school year and Junior and Senior Cycle programmes for post primary 1st year, 3rd year and Transition Year pupils in the New Year.

Relationship and Sexuality Education Module (R.S.E.) Post Primary

The Relationship and Sexuality Education module (R.S.E.), of the Social, Personal and Health Education programme (S.P.H.E.), will be covered in term two. It is important to discuss the issues raised in the R.S.E. module with your son or daughter.

Full details will also appear on our website nearer the date.
